

Merry Walkers

Merry Walkers can be sized to fit any individual. Merry Walkers are another name for rolling walker.

Merry Walkers

Rolling Walkers and Merry Walkers are used in nursing homes, hospitals, and homes especially after knee and hip replacement surgery. The Merry Walker has been designed to prevent falls and to strengthen vital muscles in the body. Most Merry Walkers come with 2 locking casters and 2 non-locking casters. These 2 locking casters help the brake the walker. These walkers come in all different sizes and some have specialty settings so be sure you figure out exactly which one you will need.
