### Chill Med Today Diabetic Carry Case - Blue(01), Red(02), Slate(03)

Diabetic Carry Cases feature a 600D Cordura exterior and has a "cold" side and an non-chilled side. This design is beneficial because you only need to open the cold side, when you need medication, which will lengthen the amount of time insulin stays chilled. Depending upon ambient temperatures, cold time could vary from 6-8 hours.
